PRESIDENT: Okay. Senator Chizek, did you wish to make a motion to advance the bill?

SENATOR CHIZEK: I did.

PRESIDENT: Okay, the motion is to advance the bill. All those in favor say aye. All those in favor say aye. Opposed nay. It is advanced. Mr. Clerk, do you have some new bills or something there?

CLERK: Mr. President, I have new bills and some things, yes, sir. Committee on Education whose Chair is Senator Withem reports LB 896 to General File, and LB 939 to General File with amendments attached. Those are signed by Senator Withem as Chair of the Education Committee. I have a confirmation hearing report from the Retirement Committee. That is offered by Senator Haberman as Chair. Confirmation report from the Transportation Committee offered by Senator Lamb as Chair. (See pages 390-91 of the Legislative Journal.)

Notice of hearing from the Government Committee for Wednesday, January 27; from the Appropriations Committee; and from Retirement Systems Committee. Those are each signed by their respective Chairs. Reference Report referring LBs 1123 through 1145. That is signed by Senator Labeledz as Chair of Reference Committee.

New bills, Mr. President. (Read LBs 1165-1171 for the first time by title. See pages 395-97 of the Legislative Journal.)

Finally, Mr. President, I have a request from Senator Hefner to add his name to LR 264 as co-introducer. And that is all that I have.

PRESIDENT: We are ready to move on to General File, and are we going to take up LB 52? I don't see the principals involved here but, all right, we will just hang loose a minute and we will see how we are doing.

CLERK: Mr. President, LB 52 was considered yesterday. At that time, the committee amendments were adopted. Senator Shirley Marsh then offered a motion to indefinitely postpone the bill. That motion is now before us, Mr. President.
